Dear Applicant,

We received your application for exemption from federal income tax and your user fee payment.

During the initial review process, applications for exemption are separated into two groups:

1. Those that can be processed based on information submitted
2. Those that require additional information to be processed

If your application falls in the first group you'll receive a determination letter within approximately 90 days from the date of this notice stating that you re exempt from federal income tax.

If your application falls in the second group, you'll be contacted when your application has been assigned to an Exempt Organizations specialist for review. You can expect to be contacted within approximately 180 days from the date of this notice. After 180 days, if you haven't been notified your application was assigned to a specialist, you can contact Customer Account Services Monday through Friday at the toll-free number shown above to check on its status. The individual calling on your behalf will need the following information:

- * Your name
- * Your employer identification number (EIN)
- * The document locator number listed above and assigned to your request
- * A proper power of attorney submitted with your exemption application, unless the individual calling is an officer or director and legally authorized to represent you

The IRS doesn't issue "tax-exempt numbers" or "tax-exempt certificates" for state or local sales or income taxes. If you need exemption from these taxes, contact your state or local tax offices.

Most organizations are required to file an annual information return

If you don't file a required return or notice for three consecutive years, your exempt status will be automatically revoked. Visit www.irs.gov and type "annual exempt organization return: who must file" in the search box for information on the types of organizations that are required to file annual returns or notices.
